

Miss Gutless and Glamorous Pageant
“Let your Beauty Shine through the Chaos of Life”

The “Miss Gutless and Glamorous” pageant strives to promote healthy self-esteem, self-worth and self-confidence in girls and young women living with a chronic and/or debilitating condition. We seek to encourage, empower, and enlighten our participants to be beautiful through the chaos of life.

The Miss Gutless and Glamorous pageant provides these girls and young women a unique opportunity to not only express themselves for who they are but to provide an outlet for them to continue and advance their community service activities and to promote awareness for a cause in which they choose.

It is imperative that these young women living with a life-altering condition realize that being beautiful comes from within. Many times living with a chronic condition can alter one’s sense of self-worth and self-confidence and here at Gutless and Glamorous we seek to provide encouragement and empowerment while promoting community involvement and awareness. Through empowerment of self-love we hope to transform lives by giving these young girls and women the confidence they need to live healthy fulfilling lives and the tools they need to succeed.
